Testimony heard in pit bull case

College degrees versus certifications. Testing methods versus testing methods. Opinion versus opinion — the first evidence was heard last week to determine if two Crawford County pit bulls will be euthanized or returned to the family home.

Crawford County Chief District/Probate Court Judge Monte J. Burmeister heard the first testimony in an evidentiary hearing on Wednesday, Feb. 24, to determine the ultimate fate of Shelby and Riley, a pair of pit bulls owned by Dawn and Ken Minard. The pit bulls have been held at the AuSable Valley Animal Shelter for the last 15 months at the expense of Crawford County taxpayers.

Boys win, girls lose in league games at Boyne

Grayling split a varsity basketball league doubleheader at Boyne City on Tuesday night, winning the boys' game by 28 points and falling by 14 points in the girls' contest.

In the first game of the night (girls), the Ramblers defeated the Vikings 40-26.

"They played a tight zone and dared us to shoot from outside. We were unable to make our three-point shots and that hurt us," Coach Kelly Sheehan said.

The Vikings outscored Boyne City 42-19 in the second half of Tuesday night's boys' game and won 85-57.

"We had a great second half of basketball," Coach Rich Moffit said. "We had contributions from a number of kids." 10A

GRA moves toward creating major nordic ski event

The inaugural Cote Dame Marie Ski Loppet — an event that included a series of cross country ski races conducted by Grayling Recreation Authority on Feb. 19-21 — drew hundreds of people and gave skiers of all ages and skill levels an opportunity to compete.

"We had tons of community support as far as sponsorships and volunteers," said Justin Andre, GRA Director. "We're trying to make it a big event like the (AuSable River Canoe) Marathon is for Grayling."

GRA, the administrative body for Hanson Hills, has hosted a weekend of cross country skiing — an event that included a Michigan Cup Marathon race and the Hanson Hills Classic race — for many years, but it decided to make a push this year to cultivate it into something bigger. 11A

Community takes on tasks for artisan village project

Seven committees, 25 tasks and 30 days — the official kickoff to create an artisan village in downtown Grayling was held on Monday.

About 120 people attended a community meeting at the Ramada Inn of Grayling on Monday aimed to create an arti-

san village and destination art gallery in Grayling.

Over the last year, Dr. Thomas Quinn, the president of Kirtland Community College, and community leaders have been working on the arts initiative for Grayling.

Quinn has made presentations for the project to the Crawford County Board of

Commissioners, the Grayling City Council and the Grayling Rotary Club.

On Monday, Quinn, and a steering committee spearheading the artisan village, unveiled plans to a broad spectrum of community members.

Council still pondering options after putting city manager on leave

by Dan Sanderson
Staff Writer

The Grayling City Council has yet to decide how the city will handle day-to-day administrative functions after placing its city manager on leave last week.

The council held a special meeting on Thursday, Feb. 25, to discuss how it would proceed with city business after placing City Manager David A. Thayer on administrative leave while he faces alleged charges for violating the state's Social Security Privacy Act.

The council voted to force Thayer to sit on the sidelines while his court case for 24 counts of allegedly violating the Social Security Privacy Act is pending in Crawford County District Court.

About two dozen people attended the city council's meeting Thursday.

Grayling Mayor Karl Schreiner said the council gathered some input from citizens and business owners, answered some questions and addressed some concerns. Some spoke in favor of putting Thayer on administrative leave, while others were against the

council's decision.

Besides tapping Ben Chouinard, sexton for the Elmwood Cemetery, to coordinate some big projects the city is involved with and meet necessary timelines, Schreiner said the council has not decided who will manage the city's business.

"We haven't decided what we're going to do yet," Schreiner said. "We're just trying to shore things up so we are sure things get done."

All department heads for the city will manage their own departments, and will look to the city council for direction and decisions. Schreiner said he was going to meet with Grayling City Attorney Gerald Brabant to determine what the city council could do as far as management under the city charter.

"Until I get some answers, I don't know which direction we're going to go," Schreiner said.

Thayer was arrested on a 24-count misdemeanor on Thursday, Feb. 11, 2010.

Thayer's arrest comes after a two-month investigation of several alleged violations of the Social See **COUNCIL** | 2A

District cuts staff

School system reduces spending, restructures

by Dan Sanderson
Staff Writer

From the Crawford AuSable Schools business manager to a maintenance man, the school district is undergoing a major restructuring to save dollars.

Crawford AuSable Schools Superintendent Joe Powers said staff reduction throughout the entire school district resulted in not renewing Business Manager Mike Dunckel's contract. Dunckel, who has been business manager for the school district since 2001, will resign from the position effective June 30. Dunckel has also served as the food services manager for the district in recent years.

In addition, five teachers are retiring from their positions and the district plans to fill only one of those positions.

A maintenance employee, who is also resigning, will not be replaced. The employee worked in all five of the district's schools, but was primarily assigned to work at Grayling High School.

A secretary, who works in the administrative offices, will also not be replaced.

"We're just restructuring," Powers said. "We have less funds, and just like every other school in the state, we have to reduce in every single place."

Extra pay, given to teachers who served as department chairs, was also eliminated, Powers said.

"It's not a big dollar number but it's part of our restructuring," Power said. "We're trying to consolidate duties with the remaining employees taking on more responsibilities."

One and 1/2 bus routes were cut from the district's transportation program.

One assistant football coach was cut from the athletic department.

The school district's funding for Chase Barnett, who works as a school liaison officer through the Crawford County Sheriff's Office, was cut last year. The county, along with special funding the school district See **DISTRICT** | 2A

Blizzard Fest provides fun winter weekend

The Grayling Youth Booster Club held its third annual Blizzard Fest at Camp Grayling on Saturday. Fourteen teams took part in the Ice Golfing Tournament and 32 players took part in the euchre tournament held at the NCO Club. About \$900 was raised through the event. Derek and Miranda Quick, not pictured, were the winners for the golf tournament. Bobby McCuan, pictured on the left with Grayling Youth Booster Board Member Tom Coors, was the winner for the longest drive competition. Above, Larry Currison, finished first in the golf tournament, Jeff Steffey, was a third place finisher, and Jenny Swander and Eric Tunney, brought home a second place finish.

Security Number Privacy Act law. Each of the charges carries up to 93 days in jail and/or \$1,000 fine, if convicted.

According to the state's Social Security Privacy Act, a violation of the act occurs when someone "knowingly and intentionally" releases more than four sequential numbers from a person's Social Security number to another party.

The charges Thayer faces stem from a background check completed on Grayling City Council candidates, who took office in November. Schreiner, the former Grayling City Police Chief, and Karl DeVries, a former Grayling City Patrolman, took the

oath of office to serve on the Grayling City Council on Nov. 9. Dee Maybury, who ran unopposed to fill an un-expired term on the city council, did not take the oath of office that night because it was determined that she had not paid the city's income tax for four years while she has lived in the city. Maybury and her family have lived in the city almost six years.

As steps were taken to clear up the issue, Maybury was given tax forms and agreed to a payment plan for the back taxes. She took the oath of office on Nov. 12.

Thayer said Michigan Department of Treasury printouts containing Social Security numbers of 24 other people who failed to

pay the income tax were inadvertently given to Maybury with the tax forms.

Thayer said that while Maybury was clearing up her income tax issue with Grayling attorney David Sabin, the papers containing the Social Security numbers given to Maybury were given to the Crawford County Sheriff's Office by Sabin. Sabin served as the Grayling City Attorney for 23 years, but was asked to step down from the position when he was running for the Crawford County Prosecutor's Office in 2009.

Sabin said he was directed by Maybury to give the information to the Crawford County Sheriff's Office.

Thayer was arraigned for

the charges on Wednesday, Feb. 24. Thayer, however, did not have to appear in court for the arraignment since he waived the formal reading of the charges and a not guilty plea was entered on his behalf.

A pre-trial conference for Thayer's case is scheduled to be held at 9:30 p.m. on Friday, March 5. A status conference will be held at 9 a.m. on Monday, April 5.

Chief 46th Trial Court Circuit Judge Janet M. Allen will preside over the case.

Crawford County Chief District/Probate Court Judge Monte J. Burmeister disqualified himself from the case, stating he was biased or prejudiced against a party or attorney in the case.

receives, will fund

Barnett's position through the end of the school year.

Finally, Keri Brock, an art teacher at Grayling High School, is resigning and the district is not replacing the position. Brock's husband, Ben Brock, will serve as a principal for the Port Huron School District for the next school year.

The school district also eliminated mailing report cards to parents, but that was more of a Green Initiative to cut down on energy costs and use of paper, Powers said. The move also encourages more contact with teachers when parents come to parent-teacher conferences to pick up the report cards.

"We think for many reasons - that's a good thing," Powers said. "The school district is just like every other governmental entity and is looking at any form in reduction."

The overall cuts will eliminate \$942,000 in spending for the school district, Powers said.

The school district was cut by \$300,000 in per-pupil funding from the state last year. In addition, the state shifted \$200,000 in employee retirements cost to the district.

The district is planning for a cut of \$1.2 million from the state because of reduced per-pupil funding and declining enrollment.

"It's early yet and this is

our waiting game with the state Legislature, but we're acting on the best information that we have at this time," Powers said.

Powers noted that like all school districts in the state, this is the 11th year in a row that schools are facing reduced funding.

Despite the cuts, Powers said the school district has put itself in the best condition in can be as far as staffing before for the 2010-11 school year.

"Our district is very strong compared with most other districts," Powers said. "Our board of education has been very consistent and very prudent with planning for these challenging financial times."

Woman charged for embezzlement

by Dan Sanderson
Staff Writer

A former manager for the Grayling Restaurant was charged for embezzling thousands from the downtown eatery over the last six years.

Tina Marie Hellebuyck, 50, was arraigned for one count of embezzlement-agent/trustee \$20,000 or more in Crawford County District Court on

Wednesday, Feb. 24. She faces up to 10 years in prison, a \$15,000 fine or three times the amount embezzled, if convicted.

Grayling City Police Chief Doug Baum said Hellebuyck is accused of embezzling the money between Jan. 1, 2004 and Jan. 19, 2010. She is accused of taking over \$47,000 from the restaurant.

Baum said that Hellebuyck disclosed the embezzlement to restaurant owners and has been fully cooperative with the investigation. Hellebuyck has already paid back \$9,000 to the restaurant, Baum said.

A preliminary exam for Hellebuyck's case has been scheduled for Tuesday, March 9.

Initial testimony heard in pit bull euthanasia case

by Dan Sanderson
Staff Writer

College degrees versus certifications. Testing methods versus testing methods. Opinion versus opinion – the first evidence was heard last week to determine if two Crawford County pit bulls will be euthanized or returned to the family home.

Crawford County Chief District/Probate Court Judge Monte J. Burmeister heard the first testimony in an evidentiary hearing on Wednesday, Feb. 24, to determine the ultimate fate of Shelby and Riley, a pair of pit bulls owned by Dawn and Ken Minard. The pit bulls have been held at the AuSable Valley Animal Shelter for the last 15 months at the expense of Crawford County taxpayers.

The Minards received civil infractions for an incident that took place with their pit bulls on July 18, 2008. James Vernon Gardiner, who lives near the Sherwood Forest subdivision, was riding his mountain bike south from Pollack Bridge Road. Gardiner left the roadway at the intersection of Tomahawk Trail and Little John Avenue and turned to travel on a dirt trail, which runs parallel to the railroad tracks. Gardiner said the two dogs aggressively approached him barking. He sprayed a water bottle at the dogs, put his bike in front of him as a shield and eventually fended them off with a stick as he backed into a yard of a nearby home before their owner called for the dogs. Gardiner said he was honestly afraid that he was going to be chewed up or bitten by the dogs and felt extremely fortunate that he was not hurt in the incident.

The Minards paid \$275 in civil infraction fines for tickets issued by Crawford County Animal Control Officer Gail Foguth.

On Nov. 26, 2008, the Minards were summoned into court for a show cause hearing to determine why the dogs should not be considered dangerous and euthanized.

Former Crawford County Assistant Prosecutor Dave Sabin represented the county. Foguth testified at the hearing and testimony from Lt. Col. Gardiner, the assistant post commander at Camp Grayling, was taken while he was serving in Iraq.

Burmeister determined the dogs were dangerous animals. He ordered Foguth to seize the dogs and put them in the AuSable Valley Animal Shelter. The initial date to euthanize the animals was set for Dec. 18, 2008.

Burmeister issued a stay on the court order to euthanize the pair of Staffordshire Terriers on Jan. 7, 2009, after the Minards hired Grayling attorney Miranda Bailey to appeal the case in Crawford County Circuit Court.

46th Trial Court Judge Dennis F. Murphy vacated the euthanasia order on

Oct. 5, 2009.

Murphy remanded the case back to Crawford County District Court for further consideration and directed Burmeister to review any new evidence in the case under the Dog Law of 1919 and Dangerous Animals Act as one issue instead of viewing elements of the laws separately.

Just four hours of testimony were heard in the case, last week, to determine if Shelby and Riley will be put down or return home.

Twan Chung, an attorney for Todd Nye and Associates, represented Crawford County in the case.

Richard C. Angelo Jr. is the attorney now representing the Minards in the case. Angelo specializes in handling cases involving dangerous animals, cases that are breed specific, including pit bulls, and is appointed to the animal law section of the Michigan State Bar.

Jason Major, an applied animal behaviorist and owner of SongDog Training & Behavioral Services in Gaylord, evaluated the Shelby and Riley for the county.

Under questioning from Chung, Major said he has a college degree in psychology and is pursuing graduate studies. He said he worked at the Animal Behavioral Institute for six years, and started SongDog Training & Behavioral Services in 2000.

Major primarily used a field test in an open arena on his property to test Shelby and Riley. He determined the dogs were prone to freezing, meaning they are highly stressed when prone to novel stimulations such as seeing a bicycle, a person rollerblading or an unknown child.

During an exposure to a stranger test, which involved the use of Major's 6-year-old son, Major said both dogs did not show a pro-social behavior.

Major said that Riley was "stoic" and "disinterested," which lead him to believe he would become aggressive in a fight or flight situation.

"He is starting to learn to suppress his own fear by acting in a more forward manner," Major said.

Major said that Shelby

and Riley have the biological predisposition to cause serious injury or death if they were allowed to get loose in the future.

"It doesn't take much of a dog bite to cause serious injury," Major said.

Major said the dogs could be returned to the Minards on the condition that Shelby and Riley undergo training to address their behavior and obedience. Major, however, acknowledged that he was not asked to evaluate the Minards, their home environment or the kennel they have built since the incident with Gardiner.

"This is not a function of intuition," Major said. "This is a function of management control."

Under questioning from Burmeister, Major said Shelby and Riley could feed off each other, causing their behavior to become more amplified if one dogs barks or chases a person or object.

Christine Conklin, a certified animal behaviorist who was asked to evaluate Shelby and Riley for the Minards, also testified in last week's hearing. Conklin has been a dog trainer for 25 years. She is an evaluator for Therapy Dogs International, a volunteer organization dedicated to regulating, testing and registration of therapy dogs and their volunteer handlers for the purpose of visiting nursing homes, hospitals, other institutions and wherever else therapy dogs are needed. She is also an evaluator for American Kennel Club's Canine Good Citizen, a program which promotes responsible dog ownership and to encourage the training of well-mannered dogs.

Conklin questioned using a field test for Shelby and Riley, saying that test is primarily used in the training and evaluation of hunting dogs. She added that the dogs were likely shell shocked and less exploratory after being in the AuSable Valley Animal Shelter for so long since they stayed close to Major during the evaluations.

"He was just kind of a safe port in the storm," Conklin said.

Conklin tested both of the dogs independently and together at the shelter.

One of the tests involved

petting the dogs, then pinching their ears to the point to pain, then calling them to return.

"Part of the test is to test the dog's forgiveness level and that is what it is meant to do," Conklin said.

Conklin said the dogs are not co-dependent or competitive. She said it was not likely that an incident like the one with Gardiner would occur again since the dogs have been spayed and neutered and have spent their formative years in the shelter.

Finally, Conklin said Riley, who performed above standards on her battery of tests, could pass the Therapy Dogs International test. She added the Shelby could pass the Canine Good Citizen test with more training, but would not likely enjoy undergoing the training.

Conklin evaluated 14 pit bulls seized by the United States Department of Agriculture in September 2009 from a Huron County dog fighting ring. Of those dogs, Conklin said four could have passed the Canine Good Citizen test, another four could pass the program with more training and the remainder of dogs could not be reintroduced into society and recommended euthanization.

Angelo noted that most of the pit bulls seized from the pit bull fighting ring that involved Michael Vick, the former Atlanta Falcons and now Philadelphia Eagles quarterback, passed the Canine Good Citizen program.

A continuation of the evidentiary hearing has been scheduled for 1:30 p.m. on Monday, March 29.

Almanack

by Richard Milliman

Finally, list of would-be governors is full

AT LAST.

Two more front-line candidates to become Michigan's next governor have stepped into the open, finally completing the lists from which voters will choose at the August primary.

House Speaker Andy Dillon and former Genesee County Treasurer Dan Kildee, both Democrats, are the latest – and probably final – major party candidates to join the race.

Only five months remain in the primary campaign.

Mr. Dillon's candidacy has been expected ever since he appointed his exploratory committee in January.

Mr. Kildee, on the other hand, merely announced his own exploratory committee, but claimed "we're well beyond thinking about it. We're in campaign mode, now," which means he's in.

They join State Rep. Alma Wheeler Smith of Washtenaw County and Mayor Virgil Bernero of Lansing as the four Democratic candidates.

The Republican list has been settled for some time: Ann Arbor businessman Rick Snyder, US Rep. Peter Hoekstra of Holland,

Attorney General Mike Cox, Oakland Sheriff Mike Bouchard and State Sen. Tom George of Kalamazoo County.

That makes four Democrats and five Republicans in the August primary races for governor. All nine have their own particular advantages and disadvantages, but only one from each party will continue to the November general election.

Michigan voters really are fortunate that so many talented and dedicated individuals are anxious to take on the job as governor of a state that has so many troubles and such daunting challenges.

* * *

ANDY DILLON enters the race as the front running Democrat. His name has been in news from Lansing for the past four years he has served as Speaker, but not always in a positive sense.

As Democratic house leader, Speaker Dillon, has been part of the government leadership which has cut many state services in sensitive areas, enacted new and unpopular taxes, and even shut down the government a couple of times.

Most polls show citizens are disgusted with how state government

runs and Andy Dillon has been a very identifiable part of it.

He holds degrees in accounting and law from Notre Dame University, and has been in business and partner in a private equity firm before his three terms in the state House. He is 48, married with four teen aged children, and lives in Redford Township in Wayne County.

He made a big splash in Lansing with a proposal last year for a single health care plan covering all public employees in Michigan – state government, local governments, schools – claiming it would save several million dollars. Most public employees and most unions, including the powerful Michigan Education Association, savaged the idea, which has gone nowhere yet except in the discussion stage.

* * *

DANIEL T. KILDEE, 51, has spent much of his life in Genesee county politics, and has managed congressional campaigns for his uncle, US Rep. Dale Kildee, who has been in Congress for 34 years.

Dan Kildee's specialty has been helping cities restore blighted areas through land banks, a pro-

gram he pioneered in Genesee county in 2002. He is president of the Center for Community Progress, a national non profit land use organization, with offices in Washington and Flint.

Mr. Kildee has described himself as "a real Democrat that can win in November" and questions whether "both of those characteristics apply to the other candidates."

He says he wants to be governor to provide "a clean break from the mess in Lansing" which seems a direct slam at both Gov. Granholm and Speaker Dillon.

Mark Gaffney, Michigan AFL-CIO president identified in a recent *Detroit Free Press* article as "one of those who persuaded Dan Kildee to enter the race," has said of candidate Kildee:

"Maybe he doesn't light the world on fire, but he's ... the kind of Democrat that Michigan voters traditionally like. If you're really worried about Dillon's unpredictability and you're really worried about Virgil (Bernero), this is your alternative."

* * *

FROM AMONG those nine candidates Michigan voters will select

their next governor, although there may be a few more options for really rebellious voters in November.

A grass roots activist named Stacey Mathia of Fife Lake, who has been helping arrange Tea Party protests, has called herself the Tea Party candidate for governor, although the Tea Party is no party at all and likely will not be at election time.

Ms. Mathia has set up her own web site as a would-be candidate, and to appear on the November ballot she must collect 30,000 petition signatures.

Even if Ms. Mathia, or any other self-starter should miss on the signature route, voters probably will have other options.

In the 2006 election, candidates for the Libertarian, Green and US Taxpayer parties all received votes for governor ... and another 37 write-in votes for governor were counted officially.

By the American Red Cross

March is Red Cross Month

With March proclaimed as Red Cross Month, American Red Cross of Crawford County recognized and thanked the supporters and volunteers whose efforts enable the Red Cross to respond to disasters down the street, across the country and around the world.

"The Red Cross works tirelessly to be there with help and hope when people need it most and we are grateful for the public support that enables us to continue our work - here at home and abroad," said Jan Dreasky, American Red Cross Disaster Relief Crawford County Volunteer Coordinator. "Our community and our nation depend on the Red Cross in times of need, and the Red Cross depends on the support of people in America to achieve its mission."

"During Red Cross Month, we want to recognize the valuable supporters whose generosity makes the work of the American Red Cross possible," Dreasky added. "In addition, Red Cross Month is a great time for people to get involved with the Red Cross, such as

donating blood, signing up for a CPR, first aid or another Red Cross course, giving a financial gift that can really save the day when the next disaster strikes or getting involved as a volunteer."

The Red Cross provides shelter, food, comfort and hope to survivors of nearly 70,000 disasters each year, helps prepare communities for emergencies, it is the largest single provider of the nation's blood, teaches lifesaving skills to more than 5 million people, supports military members and families, and provide international humanitarian aid.

The American Red Cross touches the lives of millions of people every year through its network of 34,000 employees and more than 600,000 volunteers in more than 2,000 locations across the United States and more than 30 countries around the world.

"The Red Cross has responded following the Haiti earthquake in January, working to turn despair into hope," Dreasky said. "The Red Cross is there in Haiti now and we are also here each day across the country

for families who need us."

Although major disasters such as earthquakes, hurricanes and wildfires capture national media headlines, the day-to-day work of the Red Cross often takes place in local communities. In the past year, the local Disaster Relief volunteers responded to three local emergencies, assisted seven military families and trained 129 people in lifesaving skills. And, people from this area donated 580 units of blood.

President Franklin D. Roosevelt issued the first Red Cross Month proclamation in 1943, recognizing the American Red Cross as a true reflection of the humanitarian and volunteer spirit and calling on Americans to "rededicate themselves to the splendid aims and activities of the Red Cross." Every president since that time has recognized the work of the Red Cross with a Red Cross Month.

If you would like more information about volunteering for your local Crawford County Red Cross or would like to make a donation, call 1-800-691-6059.

By Karl Schreiner, Mayor Grayling City Council

Take 10 minutes to participate in the census

In March 2010, every household across the nation will receive a census form. Required once every 10 years by the U.S. Constitution, the 2010 Census will count every man, woman and child living in the United States.

Every year the federal government distributes more than \$400 billion to tribal, state and local governments based on census data. But lack of participation can result in our community and nation receiving

less federal funding and less access to important services and resources than we might otherwise have received.

Census data also is used to reapportion seats in Congress and assure proper district representation in state and local governments. An accurate count will help ensure the people in this community are fairly represented in all levels of government.

During Census 2000, 55 percent of households in the

City of Grayling returned their census forms by mail. Nationally, 72 percent did so as of the April 2000 cutoff. I believe we can do even better in 2010. That's why today, the Grayling City Council is issuing a challenge to everyone in Grayling to take 10 minutes to participate in the census by answering the 10 question census form. Together, we can create a better tomorrow for ourselves, our family and our community.

Letters to the Editor

Council has the power to reinstate city manager

To the editor:

I can't believe that certain city council members do not see the value in David Thayer.

We finally get a city manager that is doing his job and doing it well. And what do they do? Get him arrested and then put him on leave. What are you people thinking?

He has brought almost a million dollars to Grayling in grant money alone. He has saved the city approximately \$300,000 through managing the city properly. Mr. Thayer had made a lot of positive moves for the city and there are a lot more in the works. Now we stand a good chance of losing

these opportunities without Mr. Thayer.

He is an excellent city manager, he knows what Grayling needs and how to get it done. He is very knowledgeable of government and the rules and requirements. These certain city council members have the power to reinstate David Thayer and I sincerely hope that this will be the case. If we were to hire someone to fill Mr. Thayer's position, it would take a year to get up to speed with the projects and issues that are on the agenda. By that time, all will be lost, it will be too late.

MMAF is recruiting volunteers to assist with Medicare options

The Medicare Medicaid Assistance Program (MMAF) is in the process of recruiting volunteers in all counties of northeast Michigan.

Volunteers assist beneficiaries in understanding their Medicare options, enrolling in plans, and completing applications for Low-Income Subsidy through the SSA or Medicare Savings Program through the Department of Human Services.

Most recently, Region 9 Area Agency on Aging MMAF team members enrolled 551 people in Part D drug plans during the open enrollment period of Nov. 15 through Dec. 31. Additionally, they contributed more than 1,258 hours of volunteer time.

By recruiting more volunteers they will be able to increase the number of beneficiaries receiving the free MMAF service. They are looking for people willing to participate in a reward-

ing program that also allows them to set their own hours. MMAF volunteers must attend the initial six days of training and then may be mentored by other counselors before setting out on their own.

The next free six-day training session will be held March 29-31 and April 19-21 in Gaylord. For more information about the application process, call Susan Bowen, MMAF regional coordinator, at 800-219-2273, ext. 212, before March 8.

MMAF is a program of the Region 9 Area Agency on Aging (a division of NEMCSA). Funding for volunteer training and mileage reimbursement is provided through a grant from the Michigan Office of Services to the Aging, through funding received from the centers for Medicare and Medicaid services and a grant from the Administration on Aging.

Kirtland to hold one-day computer classes for adults

Kirtland Community College will be offering one-day computer classes in both Mio and Grayling, with each class costing students just \$10 per session.

The classes, which start March 9 in Mio, are part of the college's Continuing Education program.

"These unique courses are part of Kirtland's Senior Initiative and are designed for adult learners," said Clay Horton, a computer instructor at KCC. "The first three classes are in Mio at the Oscoda County Commission on Aging."

The upcoming schedule for the sessions in Mio at the OCCA on North First Street includes:

March 9 - Computer Basics; March 16 - How to copy, cut and paste with a computer; and March 23 -

How to establish and maintain an e-mail account.

The three classes in Grayling at the Crawford County Commission on Aging on Lawndale Street will include:

April 6 - Computer Basics; April 13 - How to copy, cut and paste with a computer; and May 6 - How to maintain your computer and fight viruses, worms and spam.

All classes, at both locations, are scheduled for 1 to 4 p.m. Pre-registration is required, either in person or by telephone. To register for classes in Mio, call 989-826-3025 or 989-348-7123 for the sessions in Grayling.

For more information of these or other Community Education programs, interested persons may call 989-275-5000, extension 279.

Goodale's Mini Storage selected as February's spotlighted member

The Grayling Regional Chamber of Commerce Ambassador Club selected Goodale's Mini Storage as February's Spotlight-a-Member. Pictured above is owner Loren Goodale.

Goodale's Mini Storage was selected as the Grayling Regional Chamber of Commerce Ambassador's Club Spotlight-a-Member Award recipient for February.

Loren Goodale, a long time member of the Grayling Regional Chamber of Commerce and the national group Self Storage Association, began Goodale's Mini Storage back in 1984 when he built his first storage building.

Since then, he has built on six more times including a new office last year.

Goodale's offers storage units for both personal and business use.

Also located at this facility is a self storage kiosk that one can rent a unit and pay rent at 24 hours day/7 days week. The kiosk machine also offers three different styles of padlocks for those who are in need of one for their storage unit.

Irish quintet, Slide, to play at KCPA

Called "the future of Irish music" by Radio 1 in Ireland, the powerhouse quintet, Slide, will help usher in the St. Patty's Day holiday with its performance at the Kirtland Center of the Performing Arts, located on Kirtland Community College's main campus near Rosecommon, at 7 p.m. on Saturday, March 13.

The five-member band was formed from an all-star line-up of award winning Irish musicians who show how innovation need not compromise tradition.

Slide has played on many of the main stages and festivals in Ireland and abroad, from the National Concert Hall in Ireland to the Cambridge Festival in England. That also includes from being the headline act of the German Folk Festival Tour to the Inerceltic Festival of L'Orient, France, through to festivals in Whetland, Mich., and Dublin, Ohio.

In 2008, Slide added the United States to its string of successful touring venues. New show additions, including dance elements and new singing, have proven that Slide is going from strength to strength, with each of their four CDs and wide-reaching live shows being received with constantly increasing acclaim.

Ticket prices for the presentation of Slide are \$24 and \$22, respectively.

The Children's Learning Center, also located on the college's main campus, will be open from 6 p.m. until the end of the show to provide

vide child care services - \$5 for one child or \$15 per family. Free shuttle service from the parking lot to the main lobby doors is also available before and after the program.

For more information or to purchase tickets in advance, visit online at www.kirtland.edu/kcpa or call the KCPA Ticket Office at 989-275-6777.

The Bible Speaks

Israel's Remnant by Grace

Romans 11:4 reports that God told Elijah of Israel's past reservation of electing grace. "4But what saith the answer of God unto him? I have reserved to myself seven thousand men, who have not bowed the knee to the image of Baal. Now in Romans 11:5 we are reminded of God's present remnant of electing grace: "5Even so then at this present time also there is a remnant according to the election of grace." Paul reminded us that hundreds of years after Elijah, God still reserved "a remnant according to the election of grace."

First, Israel has a real existence. Romans 9:6 reminded us: "6Not as though the word of God hath taken none effect. For they are not all Israel, which are of Israel." This was explained in Romans 2:28,29: "28For he is not a Jew, which is one outwardly; neither is that circumcision, which is outward in the flesh: 29But he is a Jew, which is one inwardly; and circumcision is that of the heart, in the spirit, and not in the letter; whose praise is not of men, but of God." God's chosen Israel has never been whose who trust in outward symbolism of rituals, but

those who have the inward substance of faith. Romans 4:16 explained this: "16Therefore it is of faith, that it might be by grace; to the end the promise might be sure to all the seed; not to that only which is of the law, but to that also which is of the faith of Abraham; who is the father of us all."

Second, Israel not only has a real existence, but that existence is only a remnant. We were told this in Romans 9:27: "27Esaias also crieth concerning Israel, Though the number of the children of Israel be as the sand of the sea, a remnant shall be saved." As Isaiah 1:9 said, "9Except the LORD of hosts had left unto us a very small remnant, we should have been as Sodom, and we should have been like unto Gomorrah." Jeremiah 23:3 says: "3And I will gather the remnant of my flock out of all countries whither I have driven them, and will bring them again to their folds; and they shall be fruitful and increase." Isaiah 11:11 says: "11And it shall come to pass in that day, that the Lord shall set his hand again the second time to recover the remnant of his people, which shall be left, from Assyria, and from Egypt, and from Pathros, and from Cush, and from Elam,

and from Shinar, and from Hamath, and from the islands of the sea."

Third, Israel not only has a real existence now, and a remnant existence now, but also a reserved existence now: "...according to the election of grace." Isaiah 45:4 says, "For Jacob my servant's sake, and Israel mine elect, I have even called thee by thy name: I have surnamed thee, though thou hast not known me." Isaiah 65:9 says: "And I will bring forth a seed out of Jacob, and out of Judah an inheritor of my mountains: and mine elect shall inherit it, and my servants shall dwell there." We studied election in Romans 9:11-13: "11(For the children being not yet born, neither having done any good or evil, that the purpose of God according to election might stand, not of works, but of him that calleth;) 12It was said unto her, The elder shall serve the younger. 13As it is written, Jacob have I loved, but Esau have I hated." Israel's future as a nation is a reality because God's election of grace has reserved a remnant. Pastor "B"

Community takes on tasks for artisan village project

Continued from 1A

shot in arm from a company that has little knowledge of Grayling, Curt Jansen, a member of steering committee, said artists are here and building space is available for the initiative.

"This is different - this decision is ours to make," Jansen said. "We don't need a decision from an outside company or governmental entity to pull our name out of a hat - this is just us."

Jansen said Ken Wright, who is involved with the Winner's Circle Art Gallery in downtown Grayling, echoed those sentiments.

"I have never, ever seen things like this ever before," Wright said. "I could have never imagined such a positive turn of events. We have

to keep this momentum going. I think Dr. Quinn will see he selected the right city for his vision."

Quinn said that the artisan village would be anchored by a \$5 million art gallery, where artists from throughout the region could sell and display arts and crafts. The gallery would feature a cafe, capable of serving visitors traveling on chartered busses. Artists and musicians would also perform at the gallery.

Art and general education classes would also be offered in empty storefronts in downtown Grayling.

Finally, daylong or week-long workshops are planned for later this year for arts such as woodcarving and jewelry making.

Quinn said the project has the potential to bring over \$17 million to the region.

"We can not have such economic development without community development," Quinn said. "Vibrant communities create vibrant downtowns. In the exact opposite, vibrant downtowns create vibrant communities."

After an hour-long introduction and overview of the project, community members moved to various tables in the hotel's conference room to discuss tasks that will move the artisan village concept forward.

"The sooner that we can start to work together and make this work, the sooner we can reach our goal," said

MaryAnn Ferrigan, a Grayling business owner and Kirtland Community College Board Trustee.

The seven committees formed to help create the artisan village include: a capital committee; a celebration committee; a talent recruitment committee; a new business committee; a community enhancement committee; an education committee; and a publicity committee.

Over the next hour, team leaders were picked and tasks were assigned.

A similar community meeting will be held in about a month.

"People sure took ownership of the project - that's for sure," Jansen said. "It was quite impressive."

ARRA funds help reduce wildfire risks

by Dan Sanderson

Staff Writer

The American Recovery and Reinvestment Act is helping put people back on the payrolls, filling wallets and pocketbooks and reducing the risk of wildfires in northeast Michigan.

The U.S. Department of Agriculture recently highlighted the successes of the American Recovery and Reinvestment Act (ARRA).

One year after the passage of ARRA, evidence is clear - and growing by the day - that the Recovery Act is

working to cushion the greatest economic crisis since the Great Depression and lay a new foundation for economic growth.

"President Obama's Recovery Act has helped create jobs and lay a new foundation for economic growth during the greatest economic crisis since the Great Depression," said Agriculture Secretary Tom Vilsack. "USDA has used Recovery Act funding create badly-needed jobs and stimulate local economies, help farmers and rural businesses make it through tough times, ensure that struggling families can put food on the table and build and revitalize critical infrastructure in rural communities across America."

In the middle of tough economic times for Crawford, Oscoda, Alcona and Iosco counties, in northeastern Michigan, the American Recovery Act

brought over \$3.9 million to the area in funds for the Huron Fuels Reduction Project.

To help reduce wildfire hazards in the Huron National Forest and protect nearby communities, the Huron Shores and Mio Ranger Districts hired a fuels crew of 51 new employees.

The vast majority of the crew members were unemployed local northern Michigan community members. The crew began their tour of duty in July 2009, with an intensive period of training focused on safety, first aid, wildland fire fighting and chain saw operations. Then, the crew applied their training, working long hours as a team to cut, chip, stack and haul trees and brush.

The crew performed prescribed fire activities when the proper burning conditions were present. The fuels

crew continued their efforts in the field until winter weather prevented future work.

The crew will return to work again in the spring and will work through the end of September 2010.

Although these are temporary positions, the majority are positive about their experience, and especially for the opportunity to have a job that allows them to stay in northern Michigan and provide for their families.

While some members of the crew will go elsewhere after the project work is completed, others remain positive about future opportunities to work for the Forest Service.

"This means everything to me - every single day," said Donna Schrader, a crew member from Mio. "This is what I want to do for the rest of my career, and every day I try to work hard and prove it."

Police confirm ID of man in house fire

by Dan Sanderson

Staff Writer

Crawford County Sheriff's officials were able to identify a man found after a house fire that occurred just over a year ago.

Crawford County Sheriff Kirk Wakefield said that his office received information on Sunday, Feb. 28, on a pos-

sitive identification of human remains found in a house fire that occurred at the end of Kelmway Road in Grayling Township on Nov. 11, 2008.

A DNA analysis and comparison was completed through the Michigan State Police that confirmed that the deceased was Richard Lee Williams, 57, of

Grayling.

The remains were burned to a point that normal means of identification were not possible, Wakefield said.

Foul play was ruled out, and the fire was deemed accidental.

Williams was a veteran of the U.S. Army and served in the Vietnam War.

Boys win, girls lose in league basketball games at Boyne

Both squads fall to Charlevoix on Friday night

Grayling split a varsity basketball league double-header at Boyne City on Tuesday night, winning the boys' game by 28 points and falling by 14 points in the girls' contest.

In the first game of the night (girls), the Ramblers defeated the Vikings 40-26.

"They played a tight zone and dared us to shoot from outside. We were unable to make our three-point shots and that hurt us," Coach Kelly Sheehan said. "One of our team goals this year is to increase our free throw percentage. As a team we shot 100 percent from the free-throw line against Boyne."

Leading scorers for GHS: Ashley Feldhauser, 5 points, 4 rebounds; Ann Hamlin, 6 points, 5 rebounds, 3 steals; Jo Hamlin, 6 points, 4 rebounds; Abbey Thomas, 4 points, 7 rebounds; Teresa Schreiber, 3 points, 3 steals; Katlyn Myles, 2 points.

The Vikings outscored Boyne City 42-19 in the second half of Tuesday night's boys' game and won 85-57.

"We had a great second half of basketball," Coach Rich Moffit said. "We had contributions from a number of kids. Colin Hamlin was outstanding, hitting six of nine three-point shots. Steven Enos did a great job of distributing the ball and playing an all-around good game. Riley Zigila was outstanding defensively and offensively. Derek Lorenc provided a spark off the bench, scoring six points in the first half. Jensen Aubry and Jake Helsel were both solid defensively. Griffin Dean did a good job of battling on the boards, while I was also impressed with David Bergan's defense."

Hamlin finished with 27 points and five assists. Enos had 23 points, seven rebounds, seven assists, and four steals. Zigila scored 11 points and had five steals. Aubry and Dean combined for 15 rebounds (8, 7).

On Friday night, the Vikings hosted the Charlevoix Rayders for a varsity league doubleheader. Grayling lost the boys' game in overtime. Charlevoix won the girls' contest by 31 points.

The two boys basketball

teams needed an extra period to decide their game after an evenly matched, back and forth four quarters of regulation.

Grayling trailed by two after one quarter, led by two at halftime, and trailed by two after three periods. The teams were tied at 62-62 at the end of regulation. The Rayders edged GHS 11-8 in overtime to win by three.

"This was a very intense game that could have gone either way. I was very proud of the effort that our team put forth tonight. You could see the growth in our mental approach in the fact that we are handling adversity much better on the court. Our kids are battling through adversity instead of allowing adverse situations to affect them," Coach Moffit said.

"Give Charlevoix their credit in this game. They hit a big shot during a pressure situation," Coach Moffit said.

"Jensen Aubry was outstanding in this game. I thought he did a great job of playing an all-around game. David Bergan gave us some great minutes off the bench with his defensive hustle. Colin Hamlin and Steven Enos both did some nice things at the offensive end of the court. Jake Helsel did a nice job of crashing the defensive boards. Riley Zigila was solid defensively," Coach Moffit said.

Leading scorers for Grayling: Enos, 24 points, 6 steals; Hamlin, 24 points, 5 assists; Aubry, 11 points, 6 rebounds.

The Vikings (12-6 overall, 8-6 league) will host Houghton Lake on Friday (if the girls lose their playoff game on Wednesday, March 3) or Saturday (if the girls win on Wednesday).

"We are getting better at both ends of the court. We have a big week coming up with two non-conference games," Coach Moffit said.

In the girls' match, Grayling trailed by 10 at halftime, but the Rayders outscored the Vikings 31-10 in the second half, including a 17-2 fourth period. The loss ended Grayling's regular season.

"This was the best overall game that we have played against Charlevoix. At one point our score was 21-27

Jake Helsel, left, and Ann Hamlin, right, shoot for Grayling High School's varsity boys and girls basketball teams, respectively, vs. Charlevoix.

and then we were unable to convert on a few layups," Coach Sheehan said. "Caitlin Prosser played tough off of the bench with five points and four rebounds. Teresa Schreiber was injured and unable to play, so that hurt our guard play."

Scoring leaders for GHS: A. Hamlin, 7 points, 3 steals, 5 rebounds; Prosser, 5 points, 3 steals, 4 rebounds; J.

Hamlin, 5 points; Kirstie Wakeley, 2 points, 3 rebounds, 2 blocks; Thomas, 5 points, 3 steals, 6 rebounds, 2 blocks; Haley Wiseman, 2 points.

If the Vikings (3-17 overall, 1-13 league) win their District 63-B semifinal game at Cheboygan on Wednesday, March 3, they will host the district championship game on Friday, March 5.

Girls raise money for Relay For Life

Members of the GHS varsity girls basketball team recently presented Jackie Riddle, captain of the "Girls Against Cancer" Relay For Life team in Crawford County, a check for \$200 to help support the fight against breast cancer. Riddle lost her sister to breast cancer in December of 2005 and has been a local captain for Relay For Life for the last two years. Grayling's JV and varsity girls basketball teams created pink T-shirts to promote their

efforts and wore them at a recent home game vs. Kalkaska. The girls basketball teams donated all of their 50/50 raffle contributions along with community donations from the contests.

"Our girls basketball teams wanted to give back to our community. Grayling has always supported our teams and it is important for us to work together and give back," Coach Kelly Sheehan said.

9th grade team wins vs. Boyne City

Grayling High School's freshman boys basketball team won 43-37 at Boyne City on Tuesday night.

"This was a great win for our kids, they really battled tonight. We fought through adversity and injuries to play probably our most complete game of the season," Coach

LJ Mead said. "Defensively we were excellent -- our pressure really rattled Boyne City. Midway through the second quarter Boyne held a 22-10 lead. From that point

to the end of the third quarter we went on a 25-5 run. That period of time really changed the game for us. Boyne made a run late in the fourth, but we were able to hold them off. I really loved the perseverance we showed tonight."

Leading scorers for GHS: Wes Dean, 20 points, 5 rebounds, 3 assists, 7 steals; Levi Korneli, 9 points, 14 rebounds, 2 blocks; Louis Menard, 5 points, 13 rebounds, 6 blocks; Mason Krey, 4 points, 6 assists, 3 rebounds, 4 steals.

On Friday, Feb. 19, the Vikings fell 46-41 vs. the visiting Gladiators of Traverse City St. Francis in a game played at GMS.

"Our kids played really hard tonight. Our defense was outstanding, which kept us in the game to the very end. We executed really well and got great looks at the basket. We just missed too many opportunities in the end," Coach Mead said.

Scoring leaders for Grayling: Dean, 14 points, 3 rebounds, 3 assists, 4 steals; Menard, 9 points, 7 rebounds; Krey, 8 points, 4 steals; Korneli, 5 points, 9 rebounds; Blake Hatfield, 4 points, 3 steals.

More than 30 skiers ages 15 and under participated in the Cote Dame Marie Ski Loppet's kids' race on Friday, Feb. 19, at the Cross Country Ski Shop's lit course.

GRA moves toward creating major nordic ski event

Hundreds of skiers take part in weekend of racing

by Caleb Casey
Senior Staff Writer

The inaugural Cote Dame Marie Ski Loppet – an event that included a series of cross country ski races conducted by Grayling Recreation Authority on Feb. 19-21 – drew hundreds of people and gave skiers of all ages and skill levels an opportunity to compete.

"We had tons of community support as far as sponsorships and volunteers," said Justin Andre, GRA Director. "We're trying to make it a big event like the (AuSable River Canoe) Marathon is for Grayling."

GRA, the administrative body for Hanson Hills, has hosted a weekend of cross country skiing – an event that's included a Michigan Cup Marathon race and the Hanson Hills Classic race – for many years, but it decided to make a push this year to cultivate it into something bigger. GRA changed the name of the main race – the Cote Dame Marie, named after a hill with World War I notoriety, according to event organizers, is still a Michigan Cup Marathon event – and added two races,

including one for kids.

"We changed the format, changed the name," Andre said. "We're trying to change it to more of a regional event."

This year's first annual Cote Dame Marie Ski Loppet, held on Feb. 20, featured 140 participants and four different races: a 30K men's race (skate), a 15K women's race (skate), a 15K citizens' classic race, and a 15K citizens' skate race.

What's the difference between skate and classic?

"It's two different styles of skiing. Classic is more the traditional forward-back motion. Skate is side to side, like skating or roller blading," Andre said.

Skiers in the men's 30K and the women's 15K races earned points in the Michigan Cup, a competition that Andre described as "kind of like a NASCAR series for cross country skiing." Skiing teams compete in a series of nordic ski races throughout the state, and at the end "the individual with the most points wins an individual championship and the team with the most points wins a team championship."

Andre said.

"We had 140 participants, which we thought was a good start. We're hoping to get 250 or so in the following years. We're hoping to build it up into the thousands," Andre said. "One of the bigger draws was adding the citizens' race to get not just the hard-core racers. Anyone could just come out and ski the course and have a good time. It was our first year having the citizens' race, so we were pleased with the turnout."

The Cote Dame Marie Ski Loppet also used a different method of timing this year. GRA used "chip timing" – each racer had a microchip and times were electronically recorded at the finish line.

"No hand timing, which eliminated a lot of error," Andre said.

Results of the races are available on the Internet at www.hansonhills.org/Nordic_Skiing or www.graylingnordic.com.

After the event, awards – custom pint glasses for all participants, custom Cote Dame Marie Ski Loppet medals for age group winners, and homemade coffee

mugs for category winners – were distributed during a luncheon at the Grayling Ramada Inn.

On Sunday, Feb. 21, GRA hosted its annual Hanson Hills Classic, another Michigan Cup points race.

Denny Paull won the men's division and Tracy Hardin won the women's division.

"We had 90 racers, which is really good turnout," Andre said. "We had excellent weather for the whole weekend – blue skies and perfect ski conditions."

On Friday, Feb. 19, GRA kicked off the weekend of nordic ski events with a kids' race at the Cross Country Ski Shop's lit course. The race, which involved a 1.2K looped course, started at 7 p.m. and included 32 participants (ages 15 and under), Andre said.

Two Vikings ski at state finals

Two Grayling High School skiers – Mike Olson and Matt Hilbrecht – recently competed at the Michigan High School Athletic Association state finals.

Olson took 10th in slalom and 22nd in giant slalom and earned a spot on the all-state second team. Hilbrecht finished 57th and 61st. He received an all-state honorable mention.

"Mike put together two very solid runs in slalom to capture 10th place. The first course both Mike and Matt held back because the course was getting the best of all athletes. Their second runs they opened the throttle up and Mike held on while Matt had to hike. In giant slalom Matt had an awesome first run. He was 0.35 out of 10th place and on his

second run he pushed the limits a little more to get into the top 10 and he hip checked, taking him out of contention," Coach Tim Gariglio said.

Andy Davila and Peggy Currison, two other members of the GHS ski team, received the Scholar Athlete Award, an honor given to seniors and juniors that have a 3.5 GPA or higher.

Youth Wrestling

Seven members of the Grayling Youth Wrestling Club competed in the state finals on Saturday, Feb. 27, at Bay City Western. Four of them placed.

To qualify for the state finals, wrestlers had to make it through regionals, a tournament held on Feb. 20 at Meridian. Seven Grayling wrestlers advanced: Jeff Myers, 1st; Zack Cheney, 1st; Jonathan Martin, 1st; Ashdon Frisbie, 1st; Dakotah Mansfield, 3rd; Michael Phipps, 3rd; Aaron Hagle, 3rd.

"All of our kids wrestled well, including Devin Joseph and Logan Duvall, who had very strong weight brackets," Coach Larry Duvall said.

On Saturday, placements for Grayling at the state finals included: Myers, 2nd;

Crawford County Avalanche Sports

www.crawfordcountyavalanche.com

Four members of the Grayling Youth Wrestling Club placed at the state finals on Saturday (front, L to R): Ashdon Frisbie, Jonathan Martin, Zack Cheney, Jeff Myers; (back, L to R) coaches Larry Duvall, Mike Frisbie, Mike Joseph, Josh Taylor, Paul Martin.

Cheney, 3rd; Martin, 4th; Frisbie, 4th.

"Jeff Myers placed second, losing in the finals 2-0. Jeff wrestled very well this year. He finished the season with only two losses and will (have) an impact on the high school team next year. Zack Cheney finished third in a tough weight bracket. Zack is a very tough wrestler

and has an excellent work ethic. Jonathan Martin took fourth in what I believe was one of the toughest weight classes in the whole tournament. Johnathan is a very technical wrestler who works hard. Ashdon Frisbie placed fourth at his first state finals ever. Ashdon wrestled well and learned a lot from this experience." Coach

Duvall said. "Dakotah, Michael, and Aaron all won matches but fell just short of placing. Overall we had a very good season and our program continues to grow."

The team's coaching staff this year also included Mike Joseph, Paul Martin, Mike Frisbie, Josh Taylor, Alisha Timlick, Joe Dannenburg, and Brad Duncan.

GMS Girls Basketball

7th grade - The GMS 7th grade girls basketball team recently won four and lost one to start its 2010 season.

The Vikings won 21-9 vs. Boyne City on Feb. 11 in the squad's season opener.

Leading scorers for Grayling: Hailey Whittaker (11), Katie Vierling (6), Val Burch (2), Jordan Tinker (2).

Grayling fell to Traverse City St. Elizabeth 34-8 in the team's second game of the season.

"After four days off of school for mid winter break the team played sluggish in the beginning," Coach Doug Pummell said. "They played a better second half."

Scoring leaders for GMS: Whittaker (5), Hailey Eames (2), Tinker (1).

On Wednesday, Feb. 17, Grayling won 22-17 at Elk Rapids.

"The team played with intensity and had great defensive pressure, which led to a lot of scoring opportunities," Coach Pummell said.

Leading scorers: Whittaker (9), Rachel Money (4), Allison Dorn (4), Vierling (3), Eames (2).

Last Monday, the Vikings held East Jordan to two points in each quarter and won 30-8 in a game played at GMS.

"(They) played a good all around game with tough defense that led to a lot of

points. The passing game also was much improved this game," Coach Pummell said.

Leading scorers for GMS: Whittaker (16), Vierling (6), Dorn (4), Money (2), Eames (2).

The Vikings also won at Boyne City on Thursday night.

"They played another outstanding defensive game only giving up four points the first three quarters," Coach Pummell said. "The girls are really starting to understand the concept of jumping the passing lanes on defense and it is starting to pay off. Once we start shooting well we will be a very good team."

Scoring leaders: Vierling (9), Whittaker (6), Eames (4), Dorn (2), Burch (2), Tinker (2).

"The team also hopes to get Courtney Hatfield back soon. She is a quick defender and good ball handler who has missed the first part of the season with a foot injury," Coach Pummell said.

8th grade - Grayling Middle School's 8th grade girls basketball team lost 31-15 in a home game vs. Traverse City St. Elizabeth on Feb. 15.

"Traverse City has a good team and our girls played tough against them. The game was actually a lot closer than the score showed.

Our point guards did an excellent job running our offense and we had a lot of open shots that just didn't fall. Traverse made us work for all of our offense and we played well against a very experienced team," Coach Sarah Frisbie said.

Leading scorers for GMS: Victoria Doster, 5 points, 3 blocks; Tara Pummell, 4 points, 5 rebounds; Meagan Malm, 2 points; Marilyn Jankowski, 2 points; Natalie Woodley, 2 points; Cierra Prosser, 3 assists, 2 rebounds.

On Feb. 17, Grayling won 21-17 at Elk Rapids.

"It was very nice to finally get our first win of the season. Our girls have played well in all of our games so far, it just finally came together tonight. Instead of playing from behind as in our previous games, we came out with excellent tough defense to jump out to a 10-3 lead in the first quarter," Coach Frisbie said. "We were able to depend on our tough defense and some clutch free throw shooting to close out the game for a victory."

Leading scorers for GMS: Doster, 7 points, 8 rebounds, 3 steals; Jankowski, 6 points, 9 steals; Colbie Wakeley, 4 points; Pummell, 2 points, 4 rebounds; Malm, 1 point, 3 steals; Prosser, 7 rebounds, 6 steals; Makayla Cragg, 5 rebounds.

JV squad wins 59-47 vs. Boyne Boys, girls fall at Charlevoix on Thursday

The GHS junior varsity boys basketball team defeated the visiting Boyne City Ramblers 59-47 on Monday. Boyne City did not have a JV girls basketball team for Grayling to play, so the night included only one game.

The Vikings led 28-17 at halftime. Grayling took a 10-point advantage (44-34) into the fourth period and won by 12 points.

Leading scorers for Grayling: Devon Dawson, 17 points, 5 steals; Scott Parkinson, 16 points; Josh McBride, 15 points, 7 rebounds; Tyler Powers, 5 points, 4 assists.

"We had really good team chemistry during this game, especially on offense. Tyler Powers did a nice job pushing the ball up the floor and setting up some easy scoring opportunities for Scott Parkinson and Devon Dawson. With a short bench for this week Zach Schreiber gave us some big minutes, creating three steals and setting some good screens to keep the offense moving," Coach Chris Kucharek said.

The Vikings (6-12 overall) will finish their season with a home game vs. Houghton Lake on Friday, March 5, or Saturday, March 6, contingent on whether the varsity girls basketball team wins its playoff game on Wednesday, March 3. If the girls win, they will host the district championship game on Friday and the boys will play Houghton Lake on Saturday. If the girls lose at Cheboygan, the boys will host their game vs. the Bobcats on Friday as scheduled.

On Thursday night, the Vikings played a JV double-header at Charlevoix. The Rayders won the boys' game 64-55 in overtime. In the girls' contest, Grayling ended its 2010 season with a 53-12 loss.

The boys' game was tied with 1:38 left in regulation. Scott Parkinson hit a jump shot from the corner to take a two-point lead. Charlevoix hit a three-point shot with 18 seconds left to take a one-point lead. After a time-out, Parkinson was fouled with three seconds left. He missed the first but made the second to tie the game. Charlevoix turned the ball over on the in-bounds pass and gave Grayling the ball under its basket with 0.3 seconds left. Thomas Burrell got off a quick shot but it didn't go in. Charlevoix got off to a quick start in overtime, making five of their first seven shots and forcing Grayling to foul and stop the clock. The Rayders hit their free throws to seal the win.

"This was a tough one to swallow. We finally played with some composure in the fourth quarter and deserved to win. Unfortunately, we came up short. Scott Parkinson and Tyler Powers really took the game over and made some key plays for us in crunch time," Coach Kucharek said.

Leading scorers for GHS: Parkinson, 19 points, 6 steals; Dawson, 14 points, 13 rebounds; Powers, 8 points; McBride, 6 points; Burrell, 4 points, 11 rebounds; Schreiber, 2 points.

Ryan Randall drives to the basket on Monday night vs. Boyne City.

Grayling's JV girls basketball team 53-12.

"Not the way you want to end a season," Coach Craig Hofman said. "The girls played hard but were out-matched by a good team that crashed the boards. We did not do a good job blocking out. Offensively we struggled in the first quarter because we were not moving and doing the basic things like squaring up to the basket. After we adjusted these problems we had a lot of good looks and ball movement but still struggled to put it in the basket. Second half we played better defense but offensively we still struggled getting the ball in the basket."

Scoring leaders for GHS:

Josie Swander, 7 points, 6 rebounds, 2 steals; Madison Junttila, 3 points, 5 rebounds; Myrissa Kuhn, 2 points, 6 rebounds.

"The girls played hard this year and I saw a lot of individual improvement. I also saw improvement as a team. The only problem was with all of the injuries and such it was hard to measure the team as a whole this year. This group has a lot more that they can accomplish if they continue to work hard in the offseason and commit some time to basketball," Coach Hofman said.

The girls finished the season at 3-15, losing 11 consecutive games after a 3-1 start during an injury-plagued campaign.

A recent marijuana drug bust in Crawford County has costs taxpayers thus far about \$2,200 in personnel wages. According to Sheriff Harold Hatfield, 17 officers from the sheriff's department, the Grayling City Police and the Michigan State Police were involved in the two evening and one morning attempt to handle the operation.

Ken Peck, a veteran of

the Postal Service, was sworn in as the 24th Postmaster of the Grayling Post Office.

GHS students Chris Moran, Lana Hagan, Jamie Walker, Mike McNamara, Randy Landre, Michelle Hatley and David Cornell won prizes during Social Studies Week at GHS. Social Studies instructors, Howard Lehti, Russ Phillips, Chuck Mires along with Mike Shearer planned trivia and picture

identification questions each day and a medallion hunt was held.

The ski slopes at Mount Frederick are lit for night skiing with 35, 1,500 watt quartz lights. Plans are set for Mount Frederick's annual Corn Snow Frolic. Skiing in fancy costume will start at noon and Al's famous snow bar built outdoors in front of the lodge will be in full operation.

The Grayling High School Vikings wound up their 1963-64 basketball season on a blue note as they bowed to the invading Boyne City Ramblers by a tight 51 to 48 score.

Last week, the Eagles wound up their regular season with two games at home and unfortunately lost both.

69 Years Ago March 6, 1941

Truck drivers hired by the conservation department report that 52 deer livetrapped on the over populated Hanson game area have been safely delivered to their new homes in West Virginia. These deer were transferred on recommendation by the conservation commission and with approval of local residents. Other

shipments of 50 deer each to Virginia and Tennessee from crowded Michigan deer yards will complete shipments for the year.

The Frederic High School boys and the Pee Wee boys played the Alanson boys in a double-header basketball game on Feb. 28. Our boys won both games.

Paul Hendrickson has taken the position of book-keeper at Hunter's Dairy.

92 Years Ago March 7, 1918

The Grayling High School basketball team will compete in the State Tournament in Ypsilanti, for the state championship. They won the champion cup last year.

A.C. Wilcox moved back to his farm east of the city to remain there for the summer. In spite of his nearly 80 years of age, he says that he intends to run the farm alone.

It was a special occasion Monday morning in the Grayling High School when Mrs. Olaf Michelson presented the school with a service flag containing 35 stars. This was to indicate that there are 35 men serving in the war who attended the Grayling school. The stars are arranged in the shape of a cross.

HOROSCOPES

For the week of March 4, 2010

CAPRICORN
December 22 - January 19

Rest has been hard to come by, but not this week. Capricorn. You finally get some time to yourself to do as you wish. Enjoy yourself!

ARIES
March 21 - April 19

Your knowledge is tested, and you pass with flying colors. Houray, Aries. A scavenger hunt uncovers a treasure. Enjoy the walk down memory lane.

CANCER
June 22 - July 22

Raising your profile comes easily this week. Cancer, with the completion of a project. You go above and beyond and are rewarded for your efforts.

LIBRA
September 23 - October 22

Financial troubles will ease with tightening of the purse strings. Be strong, Libra. A letter tips you off to a problem brewing at home. Nap it in the bud.

AQUARIUS
January 20 - February 18

You might feel as if you are muddling through this week, but others won't. They will see what a feat you accomplish and thank you for it. Good job, Aquarius.

TAURUS
April 20 - May 20

Play your cards right, and you will see an improvement in your bottom line. Taurus. A helpful project receives a major boost. Thank the person responsible.

LEO
July 23 - August 22

Lean up with another at work, and you will come out on top. Leo. A little-known fact gets out and causes quite a stir in your inner circle. Don't be part of the action.

SCORPIO
October 23 - November 21

Communication breaks down at work, and it is up to you to fix the problem. Scorpio. Work to uncover the root of it rather than just apply a bandage to it.

PISCES
February 19 - March 20

Sunny days are here again. Pisces. Plan some fun activities for the family. A volunteer opportunity beckons. Go for it. A memo serves as a reminder.

GEMINI
May 21 - June 21

Romance takes center stage this week. Gemini. Accept all invitations and make the most of each one. Budget concerns ease with a small windfall.

VIRGO
August 23 - September 22

You must come to terms with a situation. Virgo. If you are to move forward. A well-timed endearment goes swimmingly, and you are applauded for your efforts.

SAGITTARIUS
November 22 - December 21

Turnabout is fair play. Sagittarius. Be ready. Peace settles in at home, giving you a chance to get in some quality time with your family. Have fun!

SCHEER MOTORS

Why I bought from Scheer Motors...
"We wanted to deal with a dealer that we liked and that would treat us right. Our daughter bought her truck from Scheer Motors and got great treatment too! The people were great and we got a wonderful deal! We shopped in Traverse City and they couldn't beat Scheer Motors deal." Bob and Bonnie Hoenicke.
